

Gaithersburg-Germantown Chamber of Commerce, Inc.

~ Supplier Diversity Program ~

Calling all Minority Owned Businesses!

The Gaithersburg-Germantown Chamber is introducing a "Supplier Diversity Program".

Supplier Diversity Programs are initiatives that require or encourage other businesses to use *registered* suppliers for a portion of their product or service needs.

- Minority-Owned
- Women-Owned
- Veteran-Owned
- LGBTQ+ Owned
- Disabled-Owned
- Any Other Diverse or Disadvantaged Minority-Owned Business

The Chamber will create and maintain a list of all Chamber Members who are certified.

Are You a Certified Diverse Business?

Make sure your company is listed. The list will serve as a reference for those interested in purchasing supplier diversified goods & services. While this program is intended to help shine light on these businesses it does not guarantee any contracts.

To be included on the list, simply send us verification of your certification. Once we have enough members, the list will be published & sent to all Chamber Members.

For any questions about the Supplier Diversity Program, please reach out to Chelsea Selby at cselby@gghamber.org.
