The Gaithersburg-Germantown Chamber of Commerce will host its 2nd Annual "Grow Your Business" Marketing Seminar & Expo on Tuesday, February 10th from 7:30 – 10:30 AM at the **Crowne Plaza Rockville**, 3 Research Court in Rockville.

As a business owner, you have plenty of pressures every week to do a hundred different things. But the greatest one is to figure out how to grow your business faster and make it more profitable. That is why you should attend the Gaithersburg-Germantown Chamber of Commerce Seminar.

"It is a five hundred dollar seminar for only twenty-five dollars; I plan to attend and send some of my employees" said Suzi Cusack, Owner of Mouse on House, Inc, with regards to the 2008 "Grow Your Business" Marketing Seminar and Expo.

Whether you are a small, medium or large size business; you can take advantage of the resources that will be presented at this seminar.

This year we will focus on two aspects—**Bruce Johnson of Accelerated Growth Consulting** will speak on "How to Attract and Retain More Customers in Any Economy". Attendees will learn techniques for gaining and motivating productivity in the workplace.

Dawn Goldberg of Write Well University will speak on "How Social Media Helps Increase the Value of Your Business". Social media includes such facets as LinkedIn, Facebook, email marketing, webinar, continuous contact resources and much more.
