WHAT THE CHAMBER CAN DO FOR YOU

Strength in Numbers

NETWORKING

Connect with a wide range of businesses at over 40 events per year including morning mixers, lunches, after-fives, and other larger events, such as our golf tournament, wine tasting, annual gala, business expo and many more.

ADVOCACY

More than just a membership group, the GGCC possesses a powerful voice for legislative advocacy and activism for our members. This ranges from city, county, & state legislative matters, such as creating a strong economic climate, increasing transportation capacity, increasing jobs, and more.

CONNECTIONS

Take it a step further by driving impact and getting involved in one or more of our many committees or member groups made for business connections.

VISIBILITY

The GGCC delivers a host of marketing opportunities such as visibility in both our digital and print directory, weekly member news, social media platforms, and a variety of sponsorships.

RESOURCES

We provide access to a variety of resources to help businesses succeed such as access to our conference room, mailing labels, member discounts, ribbon cuttings, educational opportunities, use of our chamber logo, member only co-ops and much more.

COMMUNITY

We give back to our community in many ways. We provide an annual Montgomery College scholarship, host the annual public safety awards, help promote our local non-profits, and more.

HOW MEMBERSHIP MAKES A DIFFERENCE

The GGCC is the “go to” influential force for businesses across upper Montgomery County. The Chamber is a powerful connector in our community. We are an organization of real people, who are passionate about supporting each other and making an impact. With more than 400 members representing over 50,000 area employees, the GGCC delivers the focused impact and creative solutions that set us apart from other networking organizations.

THE BIG PICTURE

Seventy years strong and counting, the Chamber continues to evolve and meet the challenges of today’s business leaders. The GGCC plays a central role in making the Upcounty a positive and attractive place to live, work, and do business.

The Chamber’s membership roster includes businesses of all sizes, and delivers unique and measurable benefits to each. We have something to offer every company, whether it’s networking, advertising and community exposure, advocacy in local and regional matters, educational opportunities, utilizing GGCC resources - the GGCC is here for you!

OUR MISSION

To serve, represent and be the leading advocate for the interests of membership in ways that enhance the business environment, quality of life, and well-being of our unique communities.

"I wanted local visibility for my new firm. GGCC not only encouraged me to take leadership roles, they also gave me an equal voice.

I can't express enough how that made me feel being an African-American managing wealth for high net-worth individuals. It's tough enough proving my value and worth. Thank you GGCC for looking past pigmentation and seeing me for me "
